

CHOOSING A GREAT SCHOOL

FINDING A GOOD FIT FOR
YOUR CHILD'S EDUCATION

Alabama Parent Education Center

Types of Schools

Public

- Community Schools
- State Schools
- Magnet Schools
- Charter Schools
- Online

Private

- Private Schools
- Homeschool
- Online

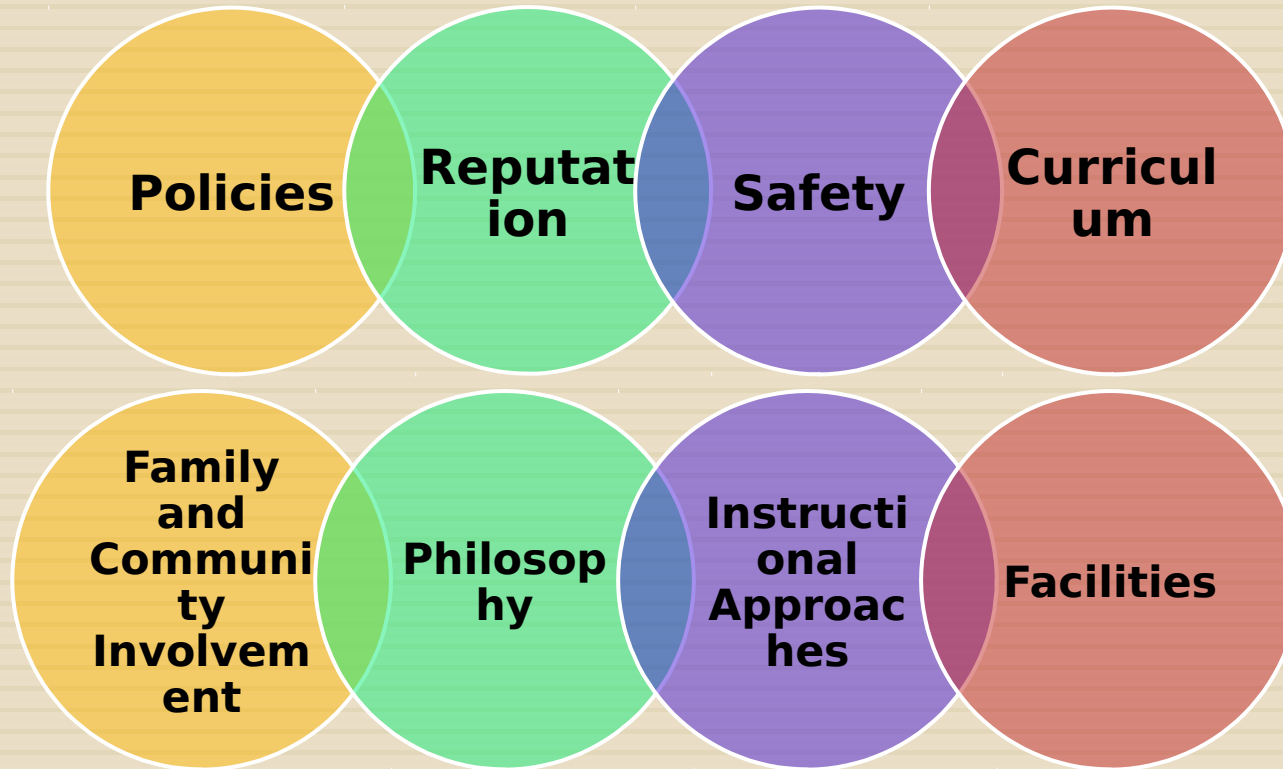

Know Your Child

- Parents will want to think about their child's:
 - Personality
 - Learning style
 - Structure that their child responds well to
 - Special interest of the child
 - Special learning needs or disabilities
 - Activities or recreation that the child enjoys

Know Your Family

- Parents should consider their values
- School Location and transportation needs
- Fees associated with the school

Know Your School Characteristics

School Policy

- Parents should carefully review the school's policy in the following areas:
 - Scheduling and programming day
 - School discipline and consequences
 - Homework
 - Grading policies
 - Acceleration and remediation opportunities
 - Retention
 - Support services and programs
 - Fee schedules if applicable
 - Parental involvement and engagement
 - Funding
 - Student to teacher ratios

School Reputation

- Ask friends, neighbors, parents, and community leaders about the reputation of the school of interest
- Does the opinion apply to your family
- Is community diversity represented within the school staff and students
- Are students from diverse cultural and linguistic backgrounds well integrated into the school and activities
- Are students with special learning needs well integrated into the school and activities

School Safety

- School emergency plan-how will parents be notified in the event of an emergency
- What is the schools policy regarding guns, knives, and other hazardous items
- Does the school have a written policy regarding bullying and formal programming to combat bullying
- Contact the local police department regarding incidents

Curriculum

- Ask what type of curriculum and standards are utilized to instruct and measure student progress
 - Common Core Standards
 - Curriculum and Grade level Standards
- Does the curriculum align with your parental expectations for your child's educational goals

Family and Community Involvement

- Schools that strive to achieve excellence involve families meaningfully in diverse ways.
- Review their policies on parental involvement
- Inquire about formal policy opportunities
- Inquire about family volunteer opportunities
- Inquire about other parental opportunities in education, learning, activities, and recreation

Philosophy

- Each school has a mission or philosophy of education
- Parents should review all of the school philosophy, mission, and belief statements
- Ask specific questions about the schools programming and teaching approaches

Instructional Approaches

- Ask how the school is organized for instruction
- Inquire about the average class size at various grade levels
- Inquire about instructional standards and curriculum

Facilities

- Modern, clean, and well-organized facilities
- Well equipped library
- Textbooks for each child
- Lunchroom
- Auditorium
- Physical Education facilities
- Staff and qualifications
 - Teacher and staff qualifications, English as a Second Language, Special Education, Nurse, School Secretary, Social Worker, Art, Music

How Do You Know The Quality

- Educational Statistics
- School Report Cards
- Accreditations
- School Visits
- Realtors

Resources

We have included the **Choosing a Great School Newsletter** that includes questions to consider and ask as you select a school placement that is right for your child.
